Re: O'Hara v. City Testing Centers, LLC  
Dkt: 1:23-cv-03873

Honorable Judge Cronan:

I represent Gym U NYC, LLC ("Gym U") and David Barton individually, the remaining Defendants in this action. The parties previously agreed on consent to stay discovery through July 1, 2024. The stay was so ordered by the Court as reflected in the court docket. I am writing after meeting and conferring with my adversary who will not consent for the reason stated below and in Attachment 2.

Mr. Barton continues in treatment as evidenced by the attached letter of Dr. Harold J. Weinberg, M.D., a Neurologist affiliated with NYU/Langone Hospital. Dr. Weinberg has recommended Mr. Barton continue to focus on diagnosis and treatment until September 2024. *See Attach. 1.* I reached out to Plaintiff's counsel on Friday to advise I was awaiting a letter from his doctor. The letter came yesterday and after forwarding it to my adversary, he indicated *he cannot consent without first speaking to his client and he is not sure when that will be.* *See Attach. 2.*

As my adversary does not consent and does not know when he will speak to his client, I am writing to so advise this Court and request the stay be extended through September 9, 2024. I am away on vacation from July 8-19, 2024. If a telephonic or in person conference is required, I respectfully request it be scheduled during the week of July 22, 2024.

Respectfully,

  
Thomas D. Shanahan
